RULES

Introduction

Please read this document carefully as some rules have changed and new ones have been added. These changes were voted in at the League AGM 2022.

If you are unsure about any of the Rules please contact the League Secretary.

THE LEAGUE

1. The League shall be called the Lancaster, Morecambe and District Badminton League, hereafter called The League, and shall comprise such Divisions and be restricted in number of teams as shall be decided at the Annual General Meeting. The League shall be governed by a Chairman, Vice-Chairman, Hon. Secretary, Hon. Treasurer and other League Officials as nominated from each Club together with a nominated representative of the Junior League. The Committee is also to administer the Cup Competitions and may co-opt members as required. The Tournament shall be run by a Tournament Committee and shall be chaired by the Vice-Chairman of the League, plus a Tournament Secretary and co-opted Representatives of each club.
2. The Annual General Meeting shall take place in June/July of each year and Clubs shall be given 21 days notice of the same. The Treasurer shall submit a statement of accounts and Officers shall be elected at the Meeting.
3. One vote per team is allowed for each club at the AGM.
4. Applications to join or withdraw from the League, and also any proposal for implementation at the AGM, must be in the hands of the League Secretary by May 1st. At the discretion of the Committee, a new team deemed of a sufficiently high standard may be placed in a Division higher than the lowest Division. The request must be submitted by 1st May and the club must provide a list of players' names so that a decision can be made by the Registrations Sub-Committee (RSC).
5. Any Club failing to send a representative to the AGM without prior approval from the League may be disbarred from playing in the League during the coming season, and may have to apply for re-election.
6. Each team shall pay a League Fee as decided annually. Such fee to be paid at or before the AGM, this fee will include entry into the Riley and Hayhurst Cup Competitions. Any club entering a new team will not pay any league fees for that team, in the first year.
7. All Clubs must be affiliated to Badminton England.
8. The decision of the League Committee on any question or dispute or on any interpretation of the Rules shall be final and binding.
9. League fixtures will be managed by the League Secretary and a co-opted independent person.

GENERAL

1. Fair Play Rule - All Clubs and players entering the Lancaster, Morecambe and District Badminton League agree to comply with the fair play rule. Players at all levels must be able to participate in badminton which is free from drugs, violence, discrimination, technical manipulation, cheating and any form of exploitation which is an attempt to win or manipulate the outcome of a match for the benefit of themselves or others.

The rule is to ensure fair competition for all players, honesty, friendship, team spirit, equality and respect written and unwritten rules such as integrity, tolerance, care, excellence and joy. If this rule has been broken by an individual or a club, the penalty which is deemed fair by the League Committee will be imposed.

If there are any doubts about a situation, please ask the League Committee.

2. Fair Play Committee - The Fair Play Committee was created to adjudicate any complaints that arise as a breach of the Fair Play Rule.

The Fair Play Committee:

- * Is to be made up of a representative from each club, either the Club Secretary or a nominated representative from the club.
 - * A chair will be nominated and this person will run the committee.
 - * If any team feels its opposition has breached the fair play rule, it can submit its case/evidence in writing as soon as possible following the occurrence of the breach. However, allegations will be accepted up to 1 week after the last match of the season.
 - * The chair of the committee will then contact the team that has breached the rule with the information of the breach and ask for its response in writing within 5 days.
 - * Following receipt of both submissions, the chair will issue these to the named members from the remaining clubs on the committee via email. The chair will collate their responses. Any clarification questions can be raised by the chair. They must receive a majority response before the ruling - has there been a breach of the Fair Play Rule?
 - * If it is found that there has been a breach of the Fair Play Rule, the chair will refer the result back to the League Committee, who will apply a penalty in relation to the severity of the breach.
 - * If it is found that there has not been a breach of the Fair Play Rule this incident cannot be submitted again.
 - * The committee's decision is final
 - * There should be no need for meetings unless there is a complex breach.
 - * Referral to the Fair Play Committee is only when no other Rule has been breached.
3. In-season registrations - Any in-season registrations are at the discretion of the Registrations Sub-Committee. Clubs must submit details of the player's standard and

proposed position within the club. Players cannot be registered with 5 or fewer League matches remaining in Division 1. This does not affect the lower divisions.

4. a) The bottom team of Division 1 at the end of the season shall be relegated to Division 2 and the top team from Division 2 shall be promoted to take its place. In the event of teams finishing level on points, positions will be determined by the number of matches won. In the event of two teams still being tied, individual game points will be counted to determine placings.
4. b) The team that finishes 2nd to bottom in Division 1 and the 2nd from the top in Division 2 compete in a play-off. The winner plays in Division 1 the following year. The match takes place on the same night and venue as the Cup finals. The Division 2 team can choose not to take part in the play-off and concede the match. The team's Club Secretary is required to officially inform the League Secretary within 7 days of the league positions being confirmed.
4. c) Two teams at the bottom of Division 2 at the end of the season shall be relegated to Division 3 and the top two teams from that Division shall be promoted to take their place and so on down the remaining Divisions. The Committee reserves the right to lift teams in order to fill vacancies in higher Divisions.
5. a) All contact to the League Secretary and other League Committee members must come only from the Club Secretary. Communication which is deemed to be abusive or bullying will not be tolerated and appropriate penalties will be imposed by the Committee.
5. b) Any email or contact between League members must follow the required protocol, it must not be an abusive, aggressive or hostile manner or it will be deleted and not dealt with. The sender will be issued with a first written warning. If resent in a polite and factual manner it will be dealt with. Following any member being given two formal written warnings in the current season, there will be a penalty imposed.
6. Anywhere in the Rules where it mentions 'extenuating or exceptional circumstances': clubs are required to contact the League Secretary/RSC to discuss and gain agreement prior to the match. All are at the discretion of the League Committee.
7. New rules can only be introduced when they have been 'voted in' at the League AGM.
8. Score sheets and team starring can be made available on request from the League Secretary.
9. No tournament, other than private internal Club events, shall be organised without the knowledge and sanction of the League Committee.

CLUB RULES

1. a) Clubs with more than one team must star only three ladies and three men for each team. All players must be starred for a team or as a 'club reserve' if they are not deemed strong enough to gain a regular team position in any of the club teams or as a 'League pool player'. The starring of players of recognised ability in a team below their recognised standard is not permitted. In case of doubt or dispute the League Committee will inform the club of the lowest Division/Team in which that player can play.

1. b) A list of any players who are deemed appropriate to play as a pool player is to be given to the League Secretary. Un-starred players in each club who do not have a regular team place may be registered as a League pool player. A pool player may only play for the lowest team of any Club in the league. The League Secretary is to be notified of the selection of a pool player prior to the fixture taking place and the score sheet must clearly indicate the pool player and the Club that he/she is registered with.
1. c) Players starred for a higher team are not allowed to play for a lower team.
1. d) Team players must play at least 50% of league matches (or pro rata for in-season registrations) in a season for their starred team. This does not include Cup matches or apply to a club's bottom team.
1. e) In the absence of player/s for any reason, Clubs with more than one team must draw on reserves from the lower teams chosen in the strongest ability order. The use of a player from a 'C' or 'D' team in order to protect the 'B' team is not permitted.
1. f) After 6 matches they are not eligible to play for the higher team unless starred to a higher team; Cup games played up do not count towards the '6' games allowed to play up. Referral to the Registrations Sub-Committee with details of the situation is required if the starring needs to be amended. There are no restrictions on pool players, unless as in Rule 2 in 'Eligibility of Players', they play more than 6 times for the club with which they are registered.
1. g) No penalty is placed on a player who misses matches, they retain their starring. Any starred player may be de-starred and then play for a lower team. Once a player is de-starred, the player is eligible to play for the higher team up to a maximum of 6/times, including the fixtures already played. Application to de-star and re-star must be made to the Registrations Sub-Committee in writing, and may not take place until formal approval is received by that Club.
1. h) No player shall be de-starred if the lower team has three or fewer matches remaining on its fixture programme.
1. i) The League Committee may investigate any case where it thinks that the starring rule is being abused.
2. All in-season players registered can be starred for any team in a club providing they are not stronger than any player in the teams above them.
3. Any club wishing to protest about the result of any match, or infringements of the Rules, must do so in writing within 3 days of the match taking place.
4. In the event of disciplinary action being taken, the Club or the player involved shall appear before a disciplinary sub-Committee to put their case. A Club or player shall have the right to appeal to the full Committee if they disagree with the decision of the sub-Committee. The disciplinary sub-Committee shall comprise of the League Chair, Vice-Chair, League Secretary and two invited Committee members.

When a problem or dispute arises between a Club and the League or any of its officials, a representative of that Club will be invited, with reasonable notice if possible, to attend a meeting that may be called to resolve the matter in question.

1. a) All Club Members (competitive, senior, social player or junior) must hold an active Badminton England membership by the date required by Badminton England and be affiliated to Lancashire County Badminton Association (CBA) and the Lancaster, Morecambe and District Badminton League through the club they wish to represent. From the date of such sanction being given the player shall be ineligible for League or Cup badminton for 28 days. This does not apply to 'pool' players unless they have played more than 6 times for their own Club.
- (FOR THE 2022/23 SEASON - If any Club's lowest team cannot field a full team, a pool player must be requested to fulfil the fixture. Only if no pool players are available, clubs can request a loan player from another Clubs lowest team in Division 3. Home team players are not permitted to play for a lower team. 1. a) Following the pre-season rearrangement of matches which clash or cannot be played for other reasons, teams are allowed to rearrange their own fixtures when they need to, with prior arrangement with the opposition. There must be 7 days' notice given. If teams request the rearrangement of a match, that team incurs the cost of the hall hire fee. All rearranged matches have to be played and score sheets submitted by the date the last league match is played, otherwise the match is forfeited (0-0). The League Secretary is required to be notified of any changes to fixture dates.

b) When a club fails to provide the requisite number of players for a match, the match will go ahead with the unplayed games being awarded to the opposition; 5 players being the lowest permitted number. The defaulting team shall provide a written explanation for its failure to provide a full team which has to be with the League Secretary within 7 days of the match. If there is no satisfactory reason, the Club shall be fined £15. The fine must be paid within 7 days of the Committee decision.
